

ONLY PEOPLE WITH A SIXTH SENSE CAN SEE SPIRITS.

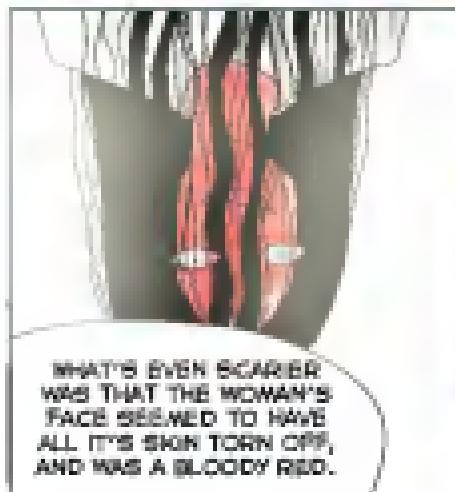

ACTUALLY, THE STRENGTH OF ONE'S SIXTH SENSE CAN BE CATEGORIZED INTO 9 LEVELS. THE HIGHER YOUR LEVEL LEVEL, THE HIGHER THE LEVEL OF THE SPIRITS YOU CAN SEE.

BY THE WAY, BOSS' SIXTH SENSE IS LEVEL 9, SO HE CAN SEE ANY LEVEL OF SPIRIT.

AVERAGE.

MY SIXTH SENSE IS LEVEL 5, SO NO AVERAGE SPIRIT CAN HIDE FROM ME.

NOW ABOUT ME, WHAT'S MY LEVEL?

WELL, BASICALLY, YOU'RE PROBABLY JUST A NORMAL PERSON. TIE THIS STRING AROUND YOUR PINKY JUST LIKE THIS. THE STRING WILL TIGHTEN WHEN SPIRITS ARE NEAR.

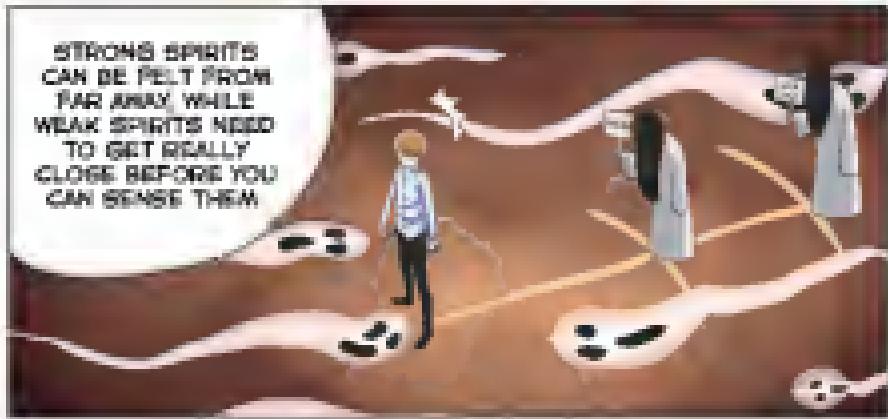

PUTTING THIS ON WILL LET ME SEE GHOSTS?

NOT SEE THEM, BUT FEEL THEM.

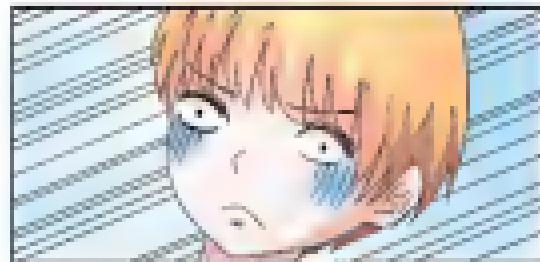

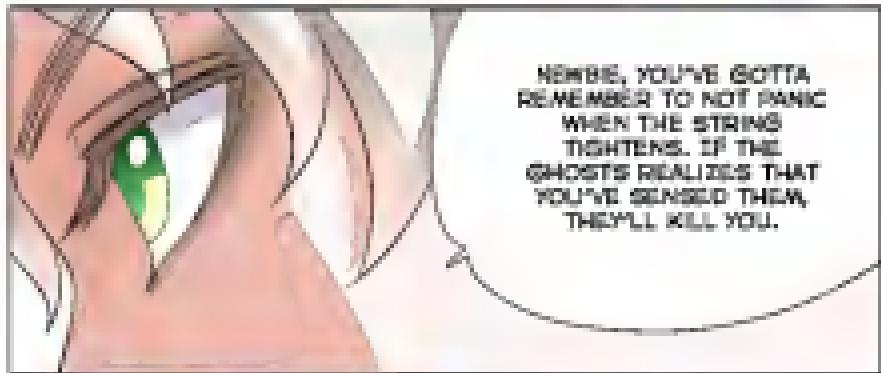

STRONG SPIRITS CAN BE FELT FROM FAR AWAY, WHILE WEAK SPIRITS NEED TO GET REALLY CLOSE BEFORE YOU CAN SENSE THEM

YOU'VE GOTTA LET ME KNOW ONCE YOU'VE SENSED ANY SPIRITS SO THAT I CAN TAKE CARE OF THEM. REMEMBER NEVER TO LET THE SPIRITS KNOW YOU'VE SENSED THEM.

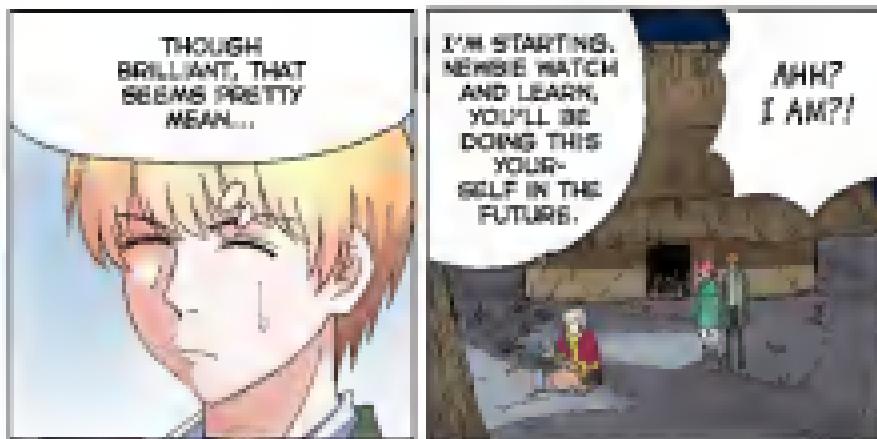

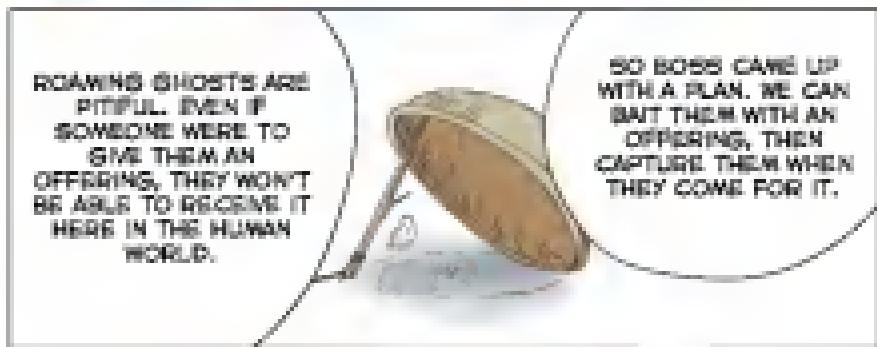

THE HAUNTED AREA
IS JUST UP AHEAD.
SO WE'LL WALK THE
REST OF THE WAY.

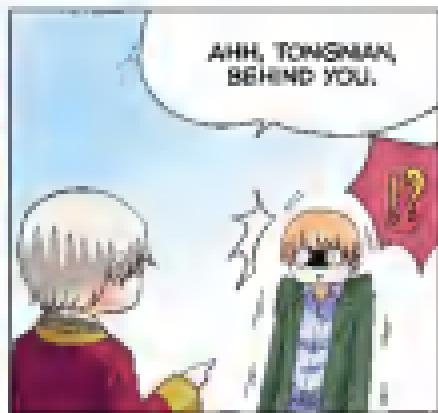

SEE ANYTHING
YET BOBBY?

I TOOK A
LOOK AROUND
EARLIER, BUT
DIDN'T SEE
ANYTHING.

BUT I DO SENSE THAT THE VIBRANT
ENERGY IS STRONG HERE... I
THINK THE STORY ABOUT THIS
PLACE BEING HAUNTED IS TRUE
AFTER ALL.

Chapter 5

I swear figuring out the characters on the signs the ghosts had was the hardest part of this mostly simple chapter.

Anyhow... considering I find myself having less and less to say as we pick up more series and progress though them, we're going to change credit style. The new credits will look pretty, but won't have any walls of text on them. Any related news will only be on the chapters posted on our site.
